Hello Broadway families,

We would like to take this opportunity to thank all the parents who joined us to celebrate the Week of The Young Child last month.

The school year is coming to an end. We would like to take the opportunity and thank all of you wonderful parents, grandparents, uncles, aunties, friends, and guardians for a wonderful school year.

Your children have grown so much and have learned so many new things. It is amazing to see how their verbal English skills and social skills have improved over the past year. The children that did not speak any English are now able to have whole conversations in English. Also their pre-academic skills like writing, counting and shape recognition as well as color recognition have developed. All the children that are moving on to kindergarten are well

prepared and we wish them all the best when they go to "big" school. The transition to kindergarten might be more difficult for some children than others. It is a very different environment from preschool. Some of the children might cry when they have to get up for kindergarten and miss Kai Ming. Please bring them by for a visit any time.

Our part day classes will be ending on May 6th. The last day for our full day classes is June 3rd.

The new full day / full year class will start on June 6th.

All of us at Kai Ming Broadway Center wish you all a wonderful summer!

I will miss you all!
