

Center News Broadway Center

Dear Broadway Families,

I would like to start by giving a big thank you to the parents who provided input during our third parent-teacher conference. It really means a lot to Kai Ming staff. Also, I would like to thank the parents who brought in extra clothes for the kids to use for water activities that we have planned for the summer weather.

During the past few weeks, the children have been working on literacy through phonological awareness activities. They shared new vocabularies they have learnt from places other than our classroom, such as at home. It was thrilling to see children expressing themselves using English with Teacher Holly.

We used the song "Shoo Fly Don't Bother Me" as a base for the past week's curriculum, which involved adjectives describing space. (Up, over, below, behind, under, besides, etc.). They learned new songs, and created artworks to represent the imagery in the songs, acquired new and advanced vocabularies, and performed together in large groups.

After the children master the use of adjectives describing space, the children will learn about transportation and how humans go from place to place by car, by truck, and by train, as well as by other vehicles. To enhance children's learning about transportation, we will have a field trip to the San Mateo Ross Garden by both bus and train! I hope you can join us on our exciting adventure on July 12th!

Also, we will celebrate Independence Day on July 3rd by having a picnic at our playground. We hope you can come and enjoy this day with us. Please note that our center will be closed for the holiday on July 4th. School will resume again on July 5th.

The last day of 2011-2012 Program Year will be August 17, 2012. Our first day of PY 2012-2013 will be August 20, 2012. Home Visits will be happening prior to that date in August.

We hope you are all enjoying this warm summer!
